Cover design by Lenell Gent

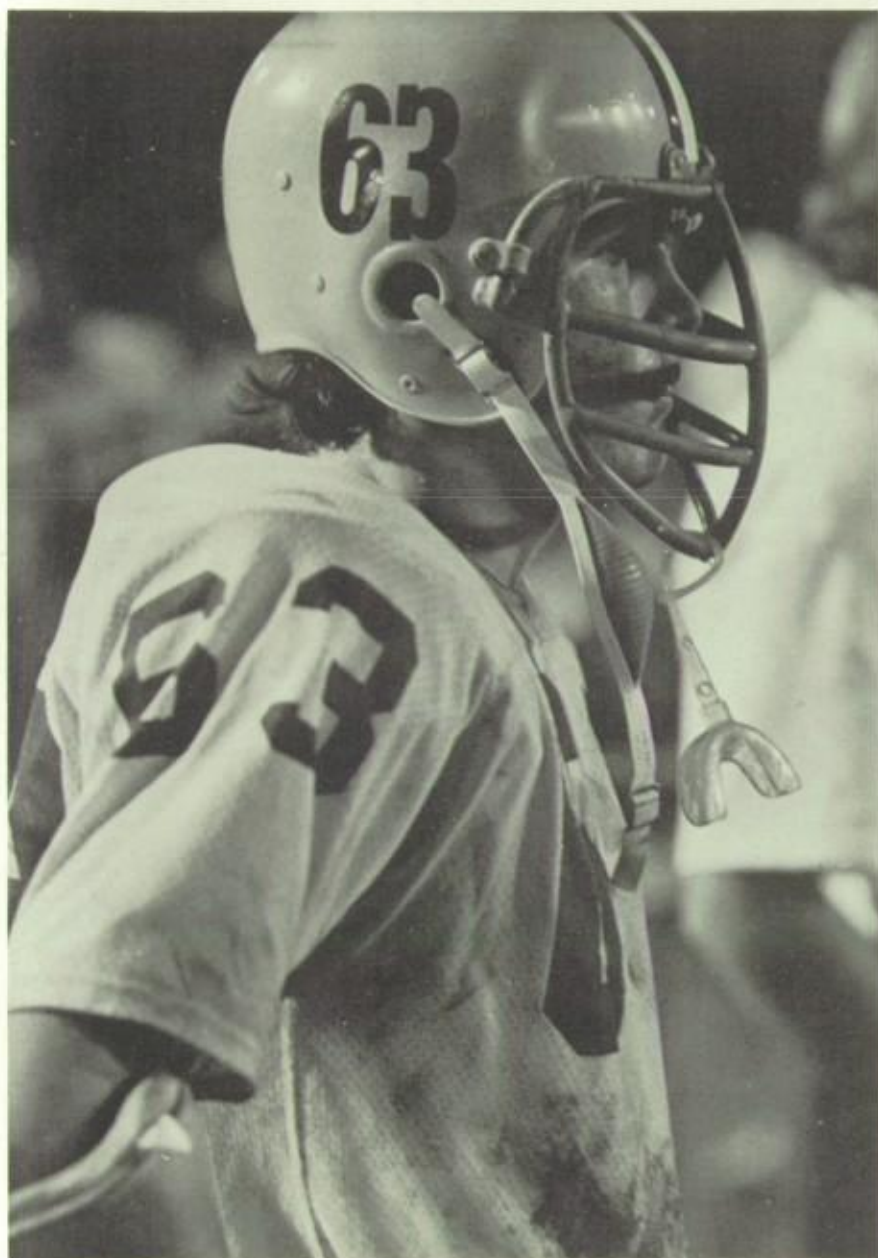

As an individual, we exist . . .

*A separate and
distinct existence . . .*

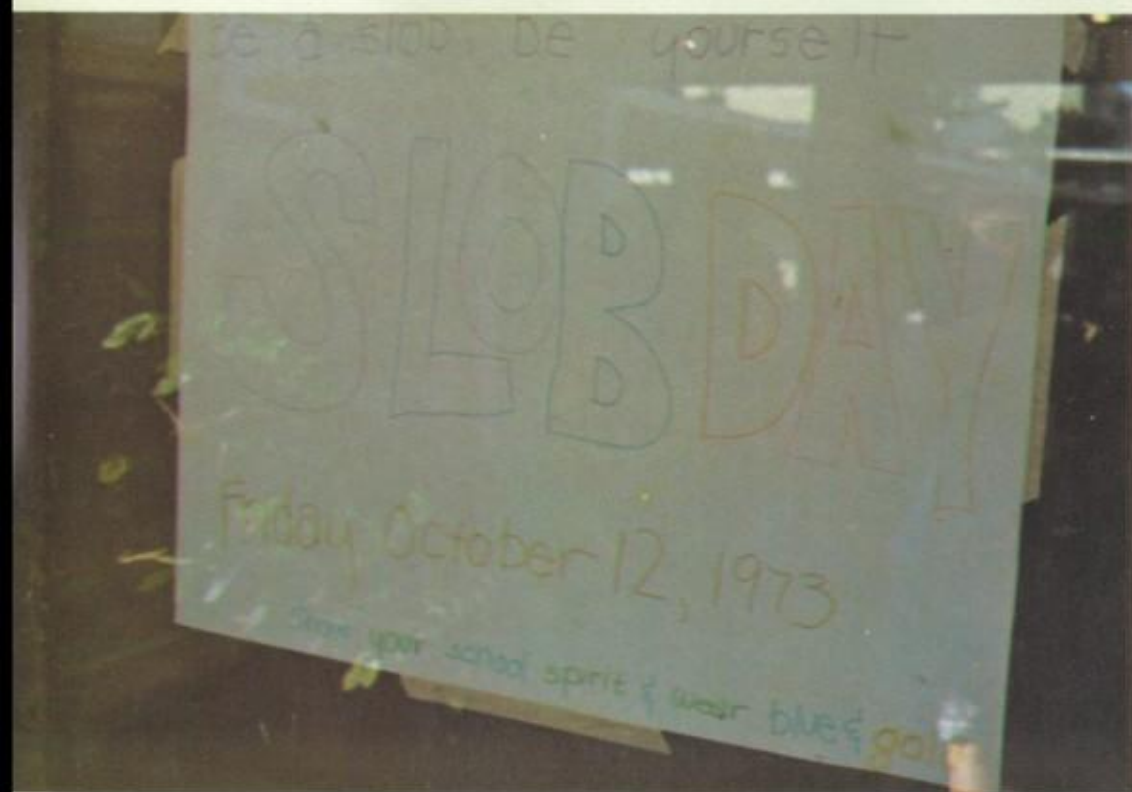

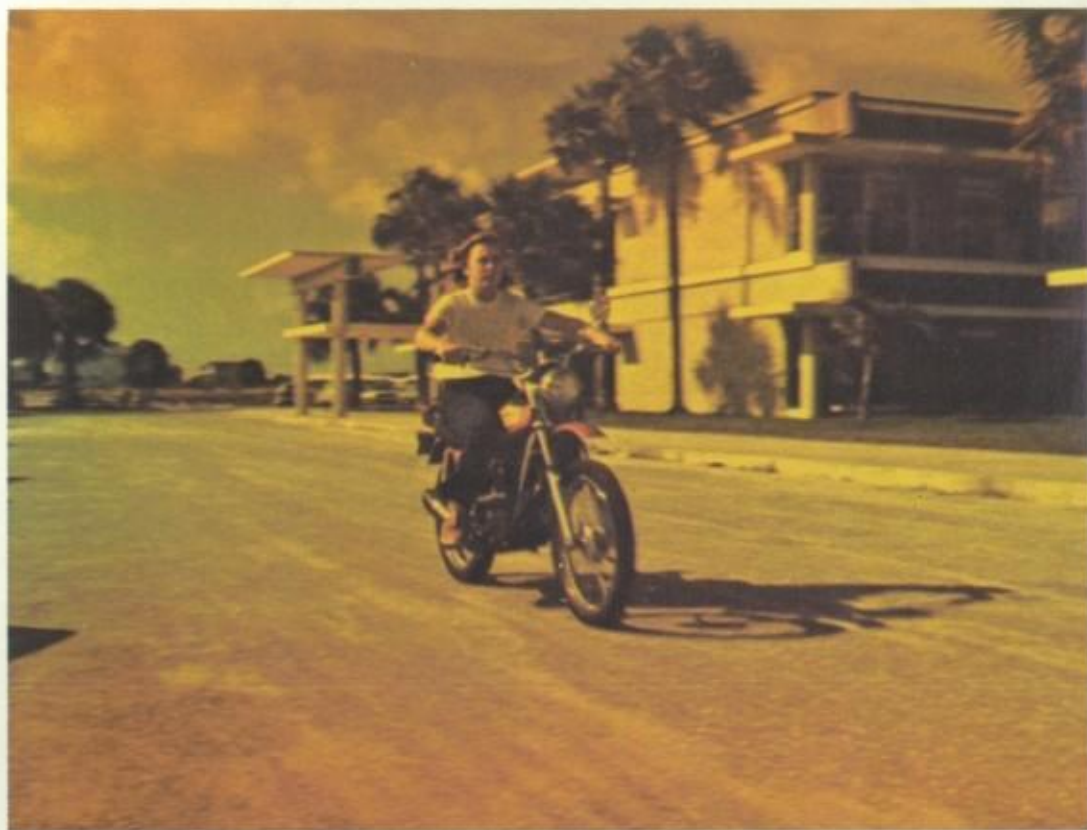

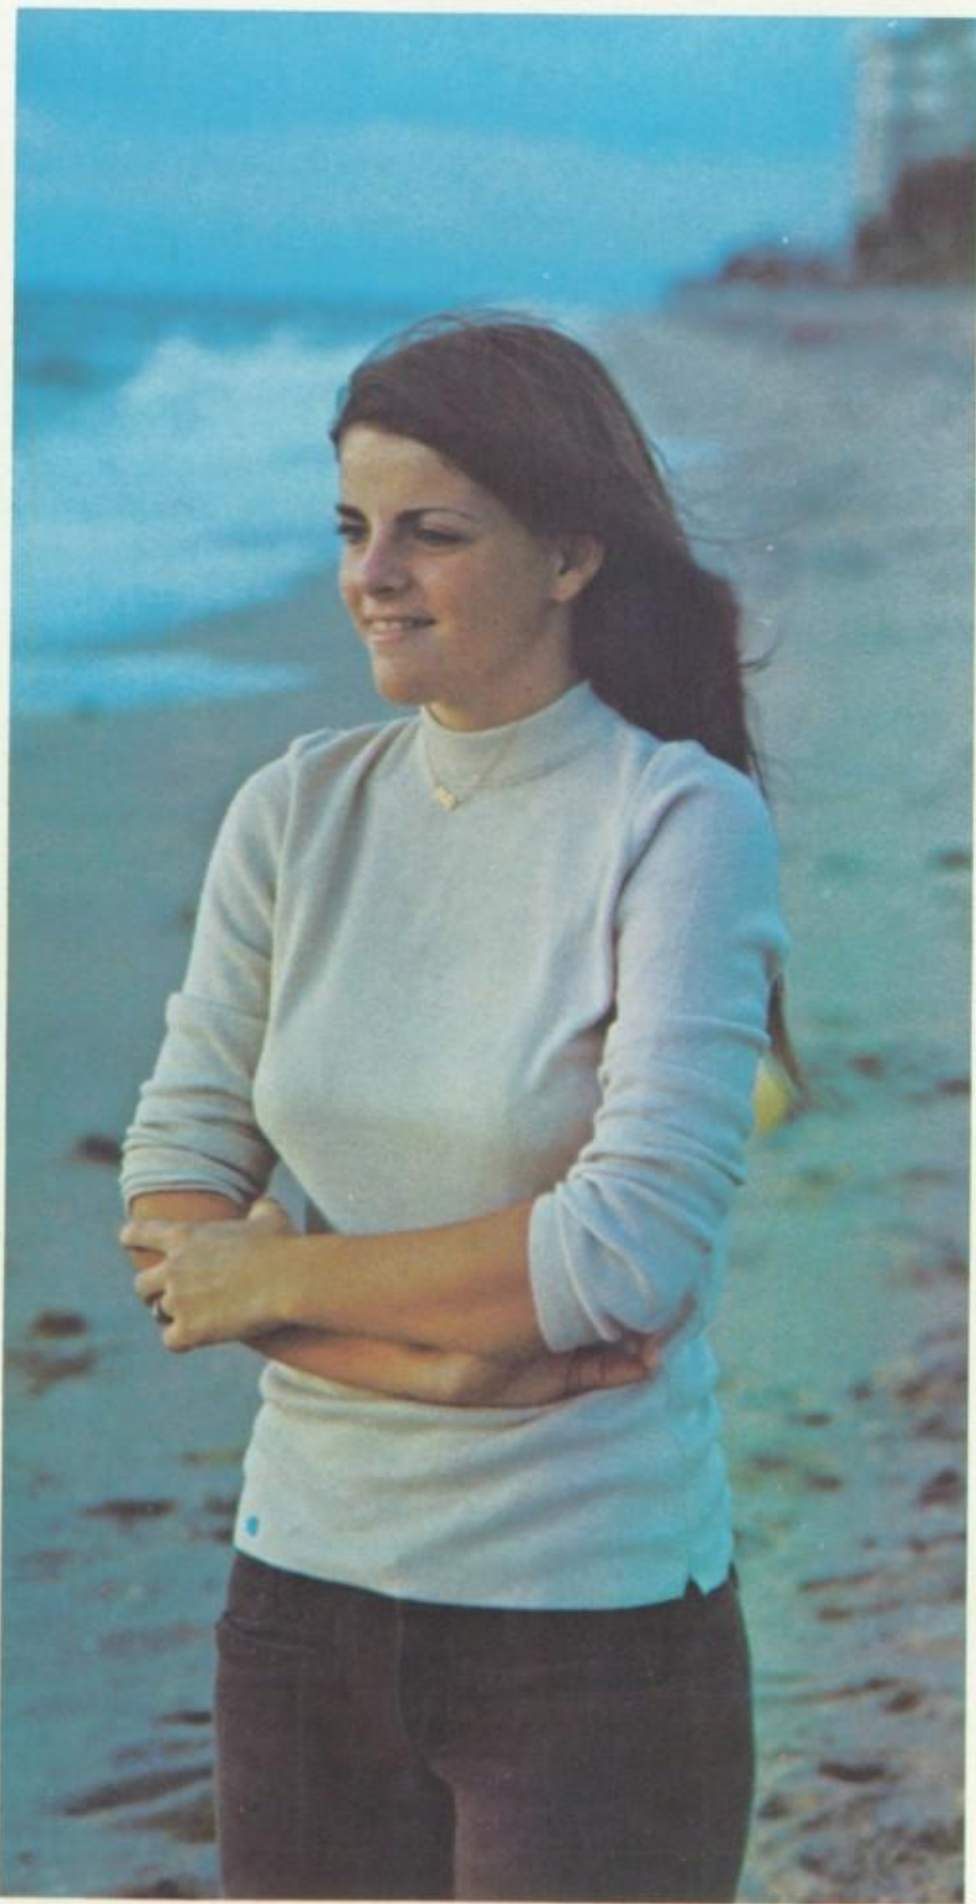

*For being
as we are,
we are unique.*

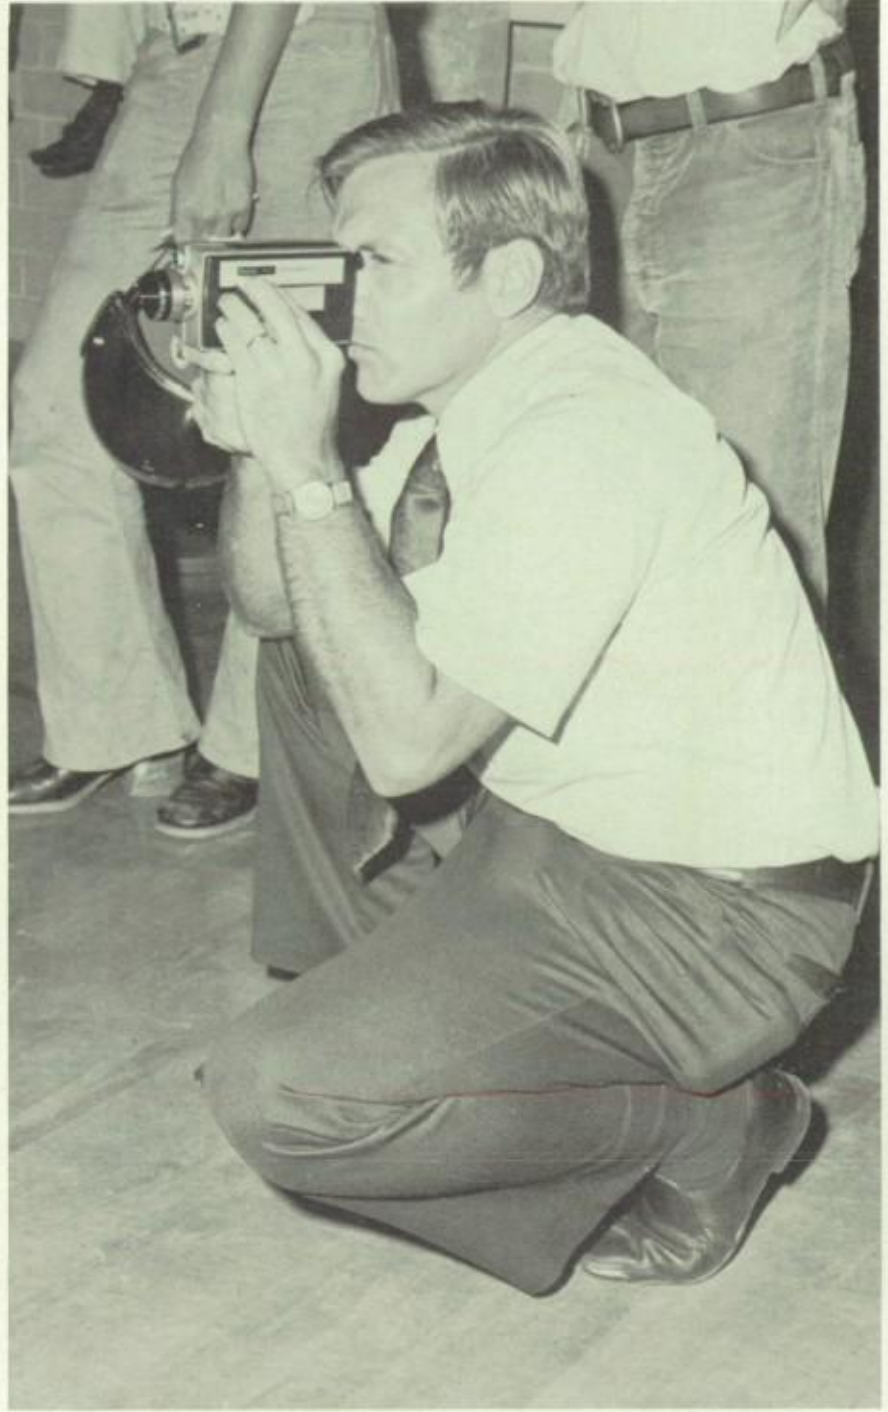

*We have a certain quality
which distinguishes us*

from another person or thing.

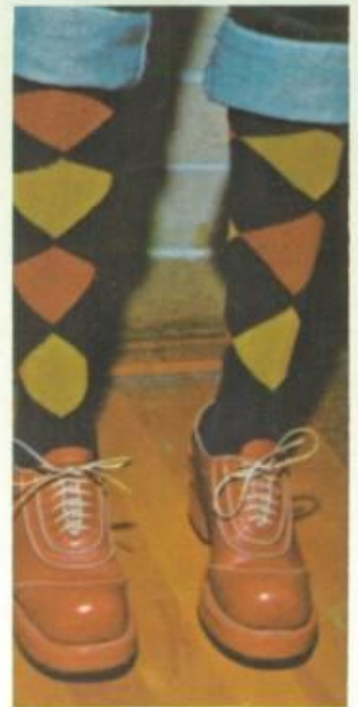

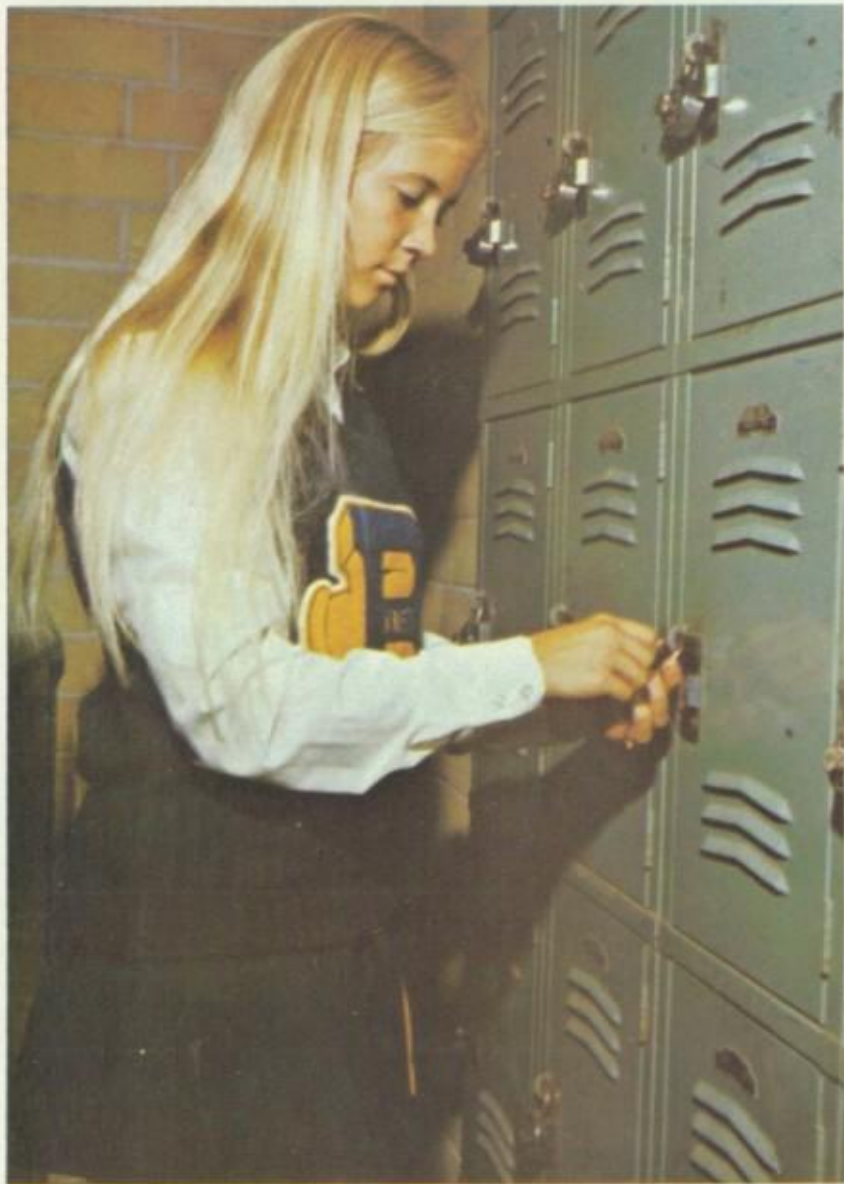

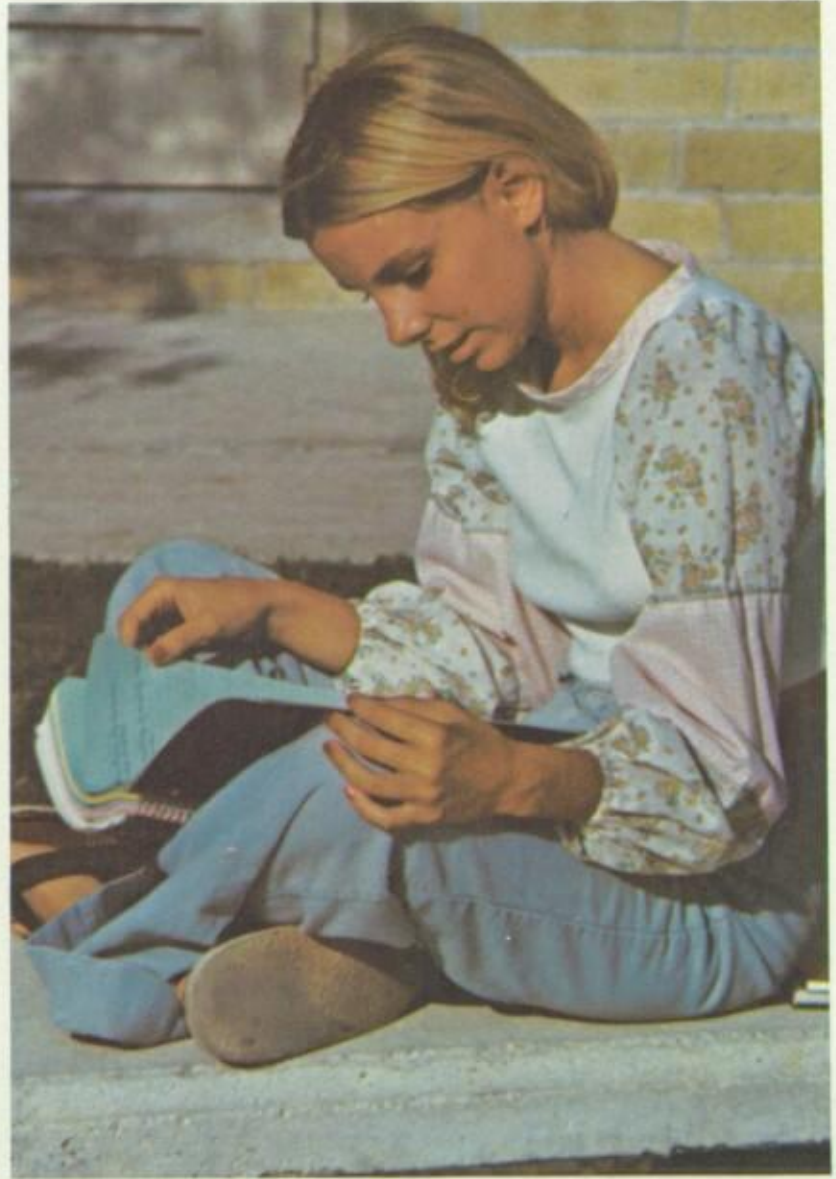

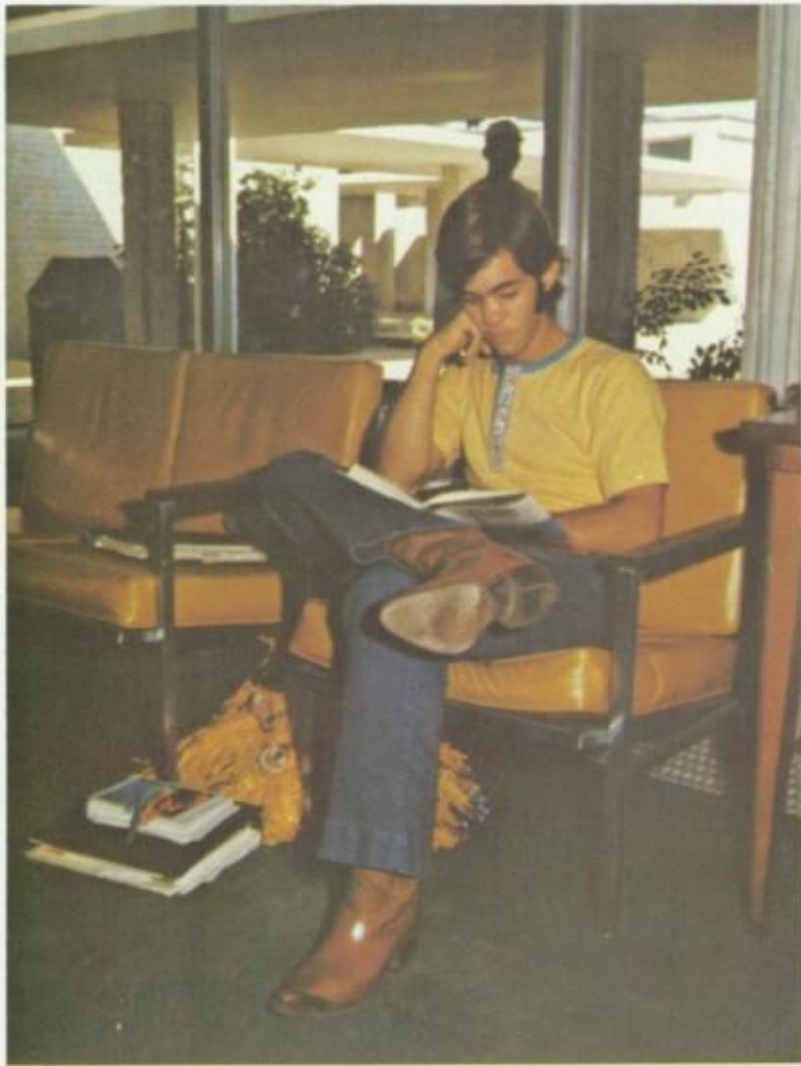

*We are all different in
one way
or another.*

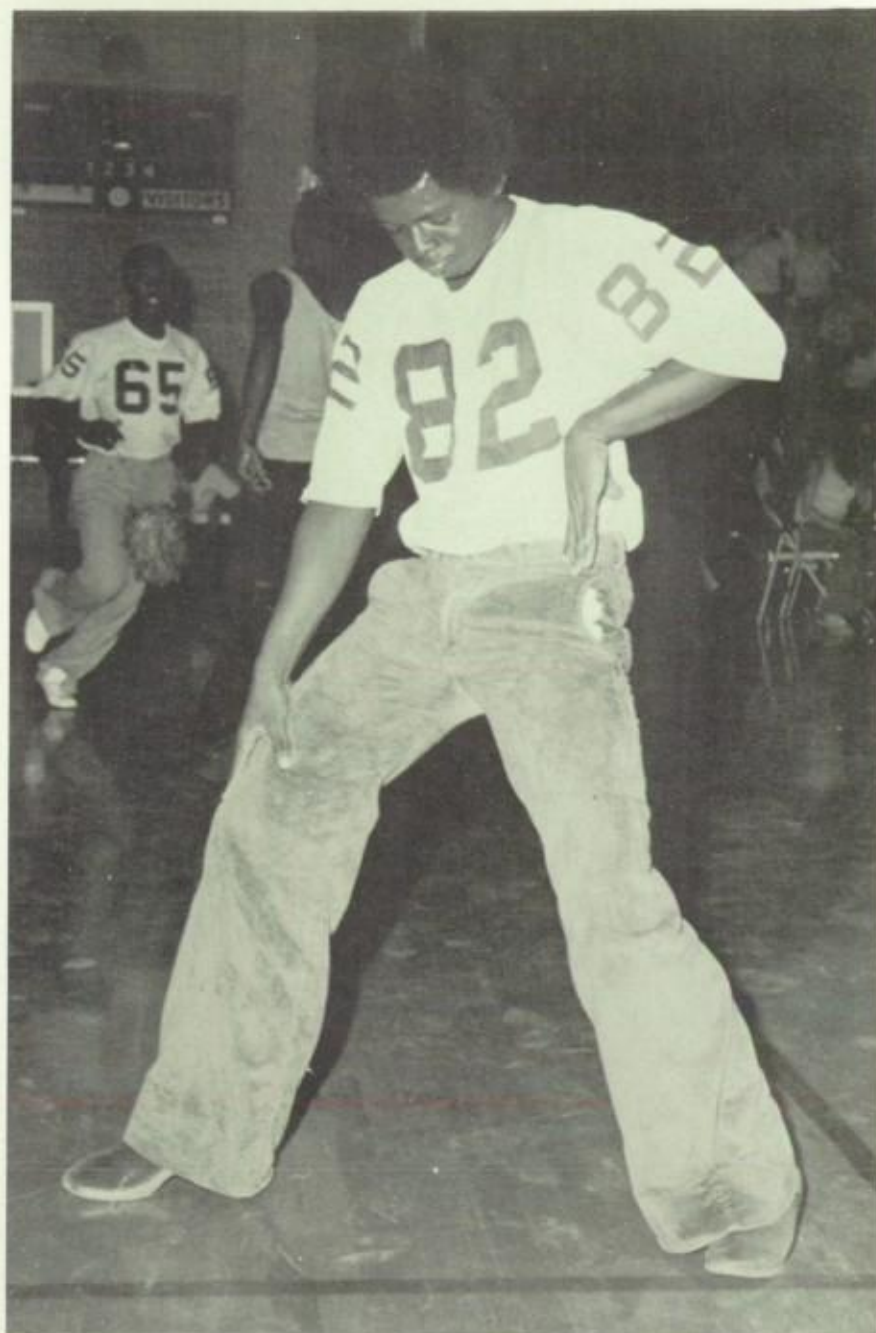

*We are unique in our tastes,
styles, likes and dislikes*

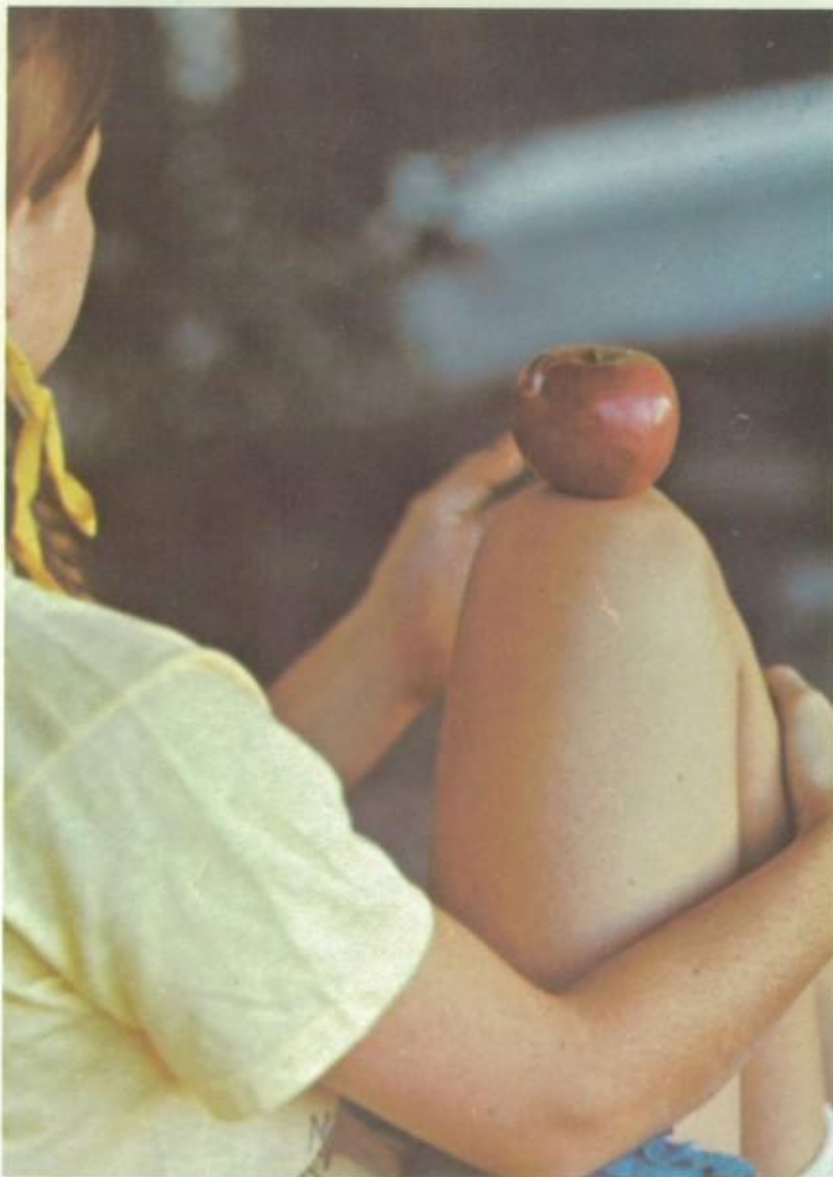

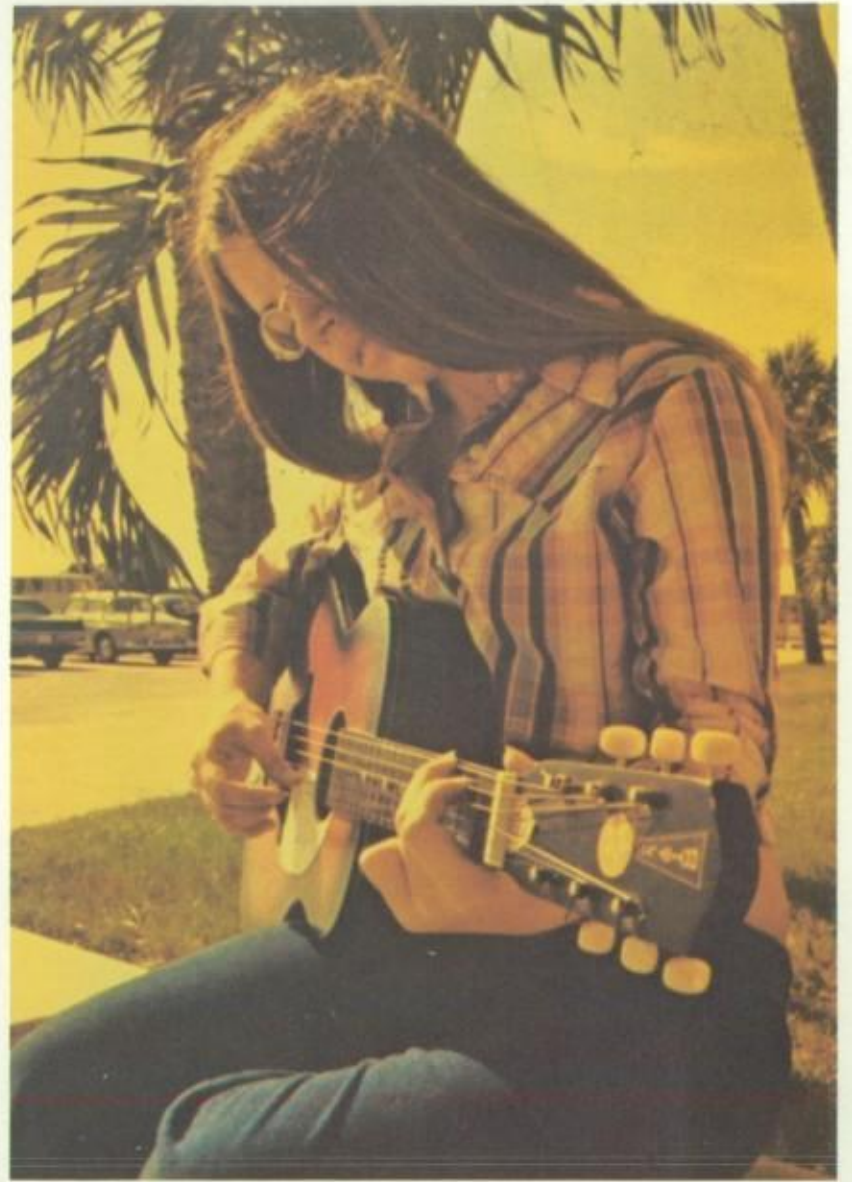

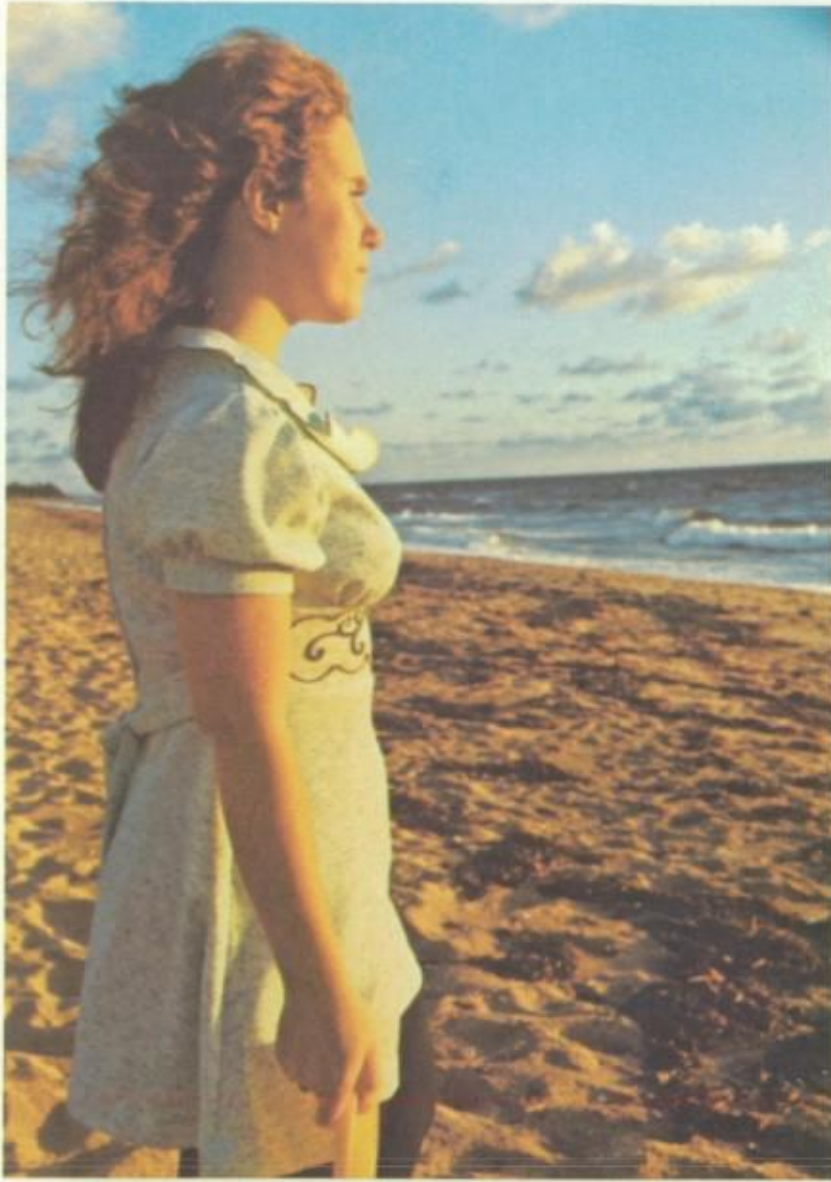

Each one of us
has something
to offer to
this world . . .

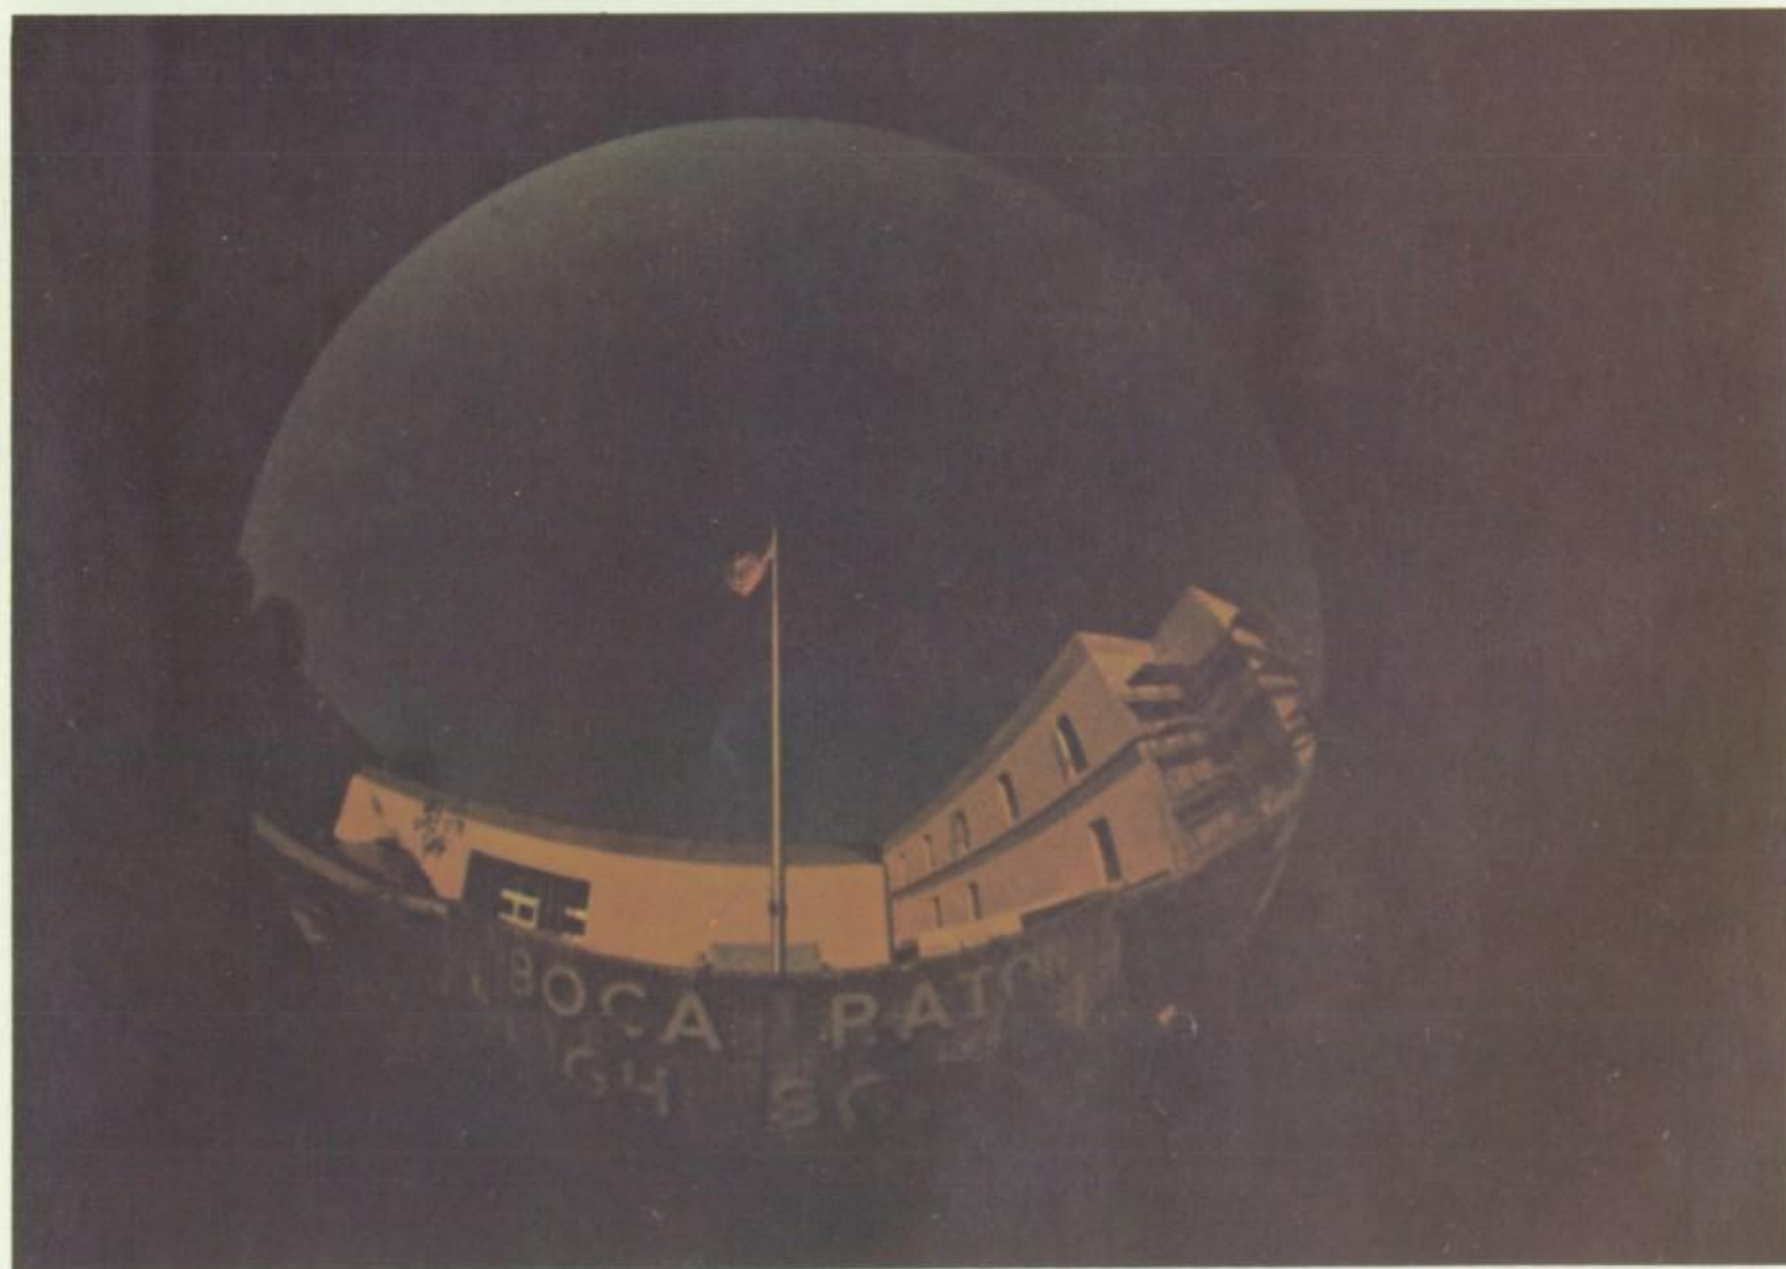

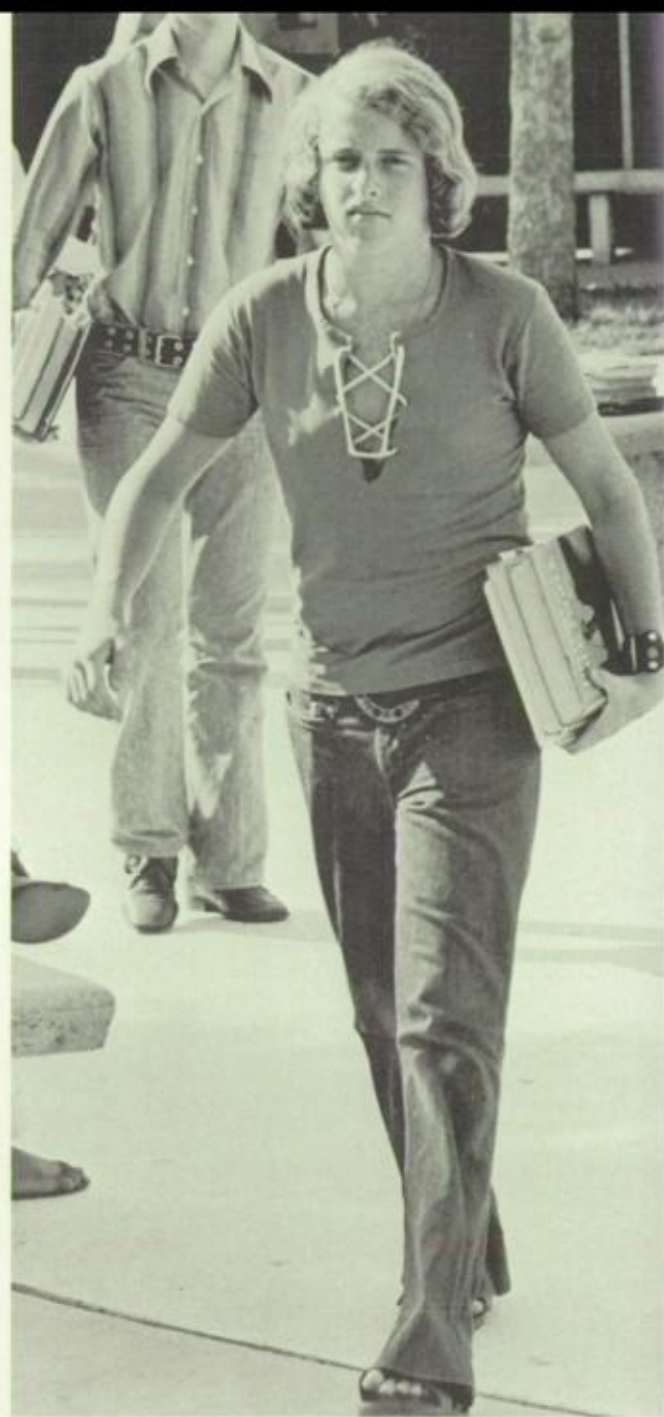

*Whether the
contribution
is large . . .*

or small.

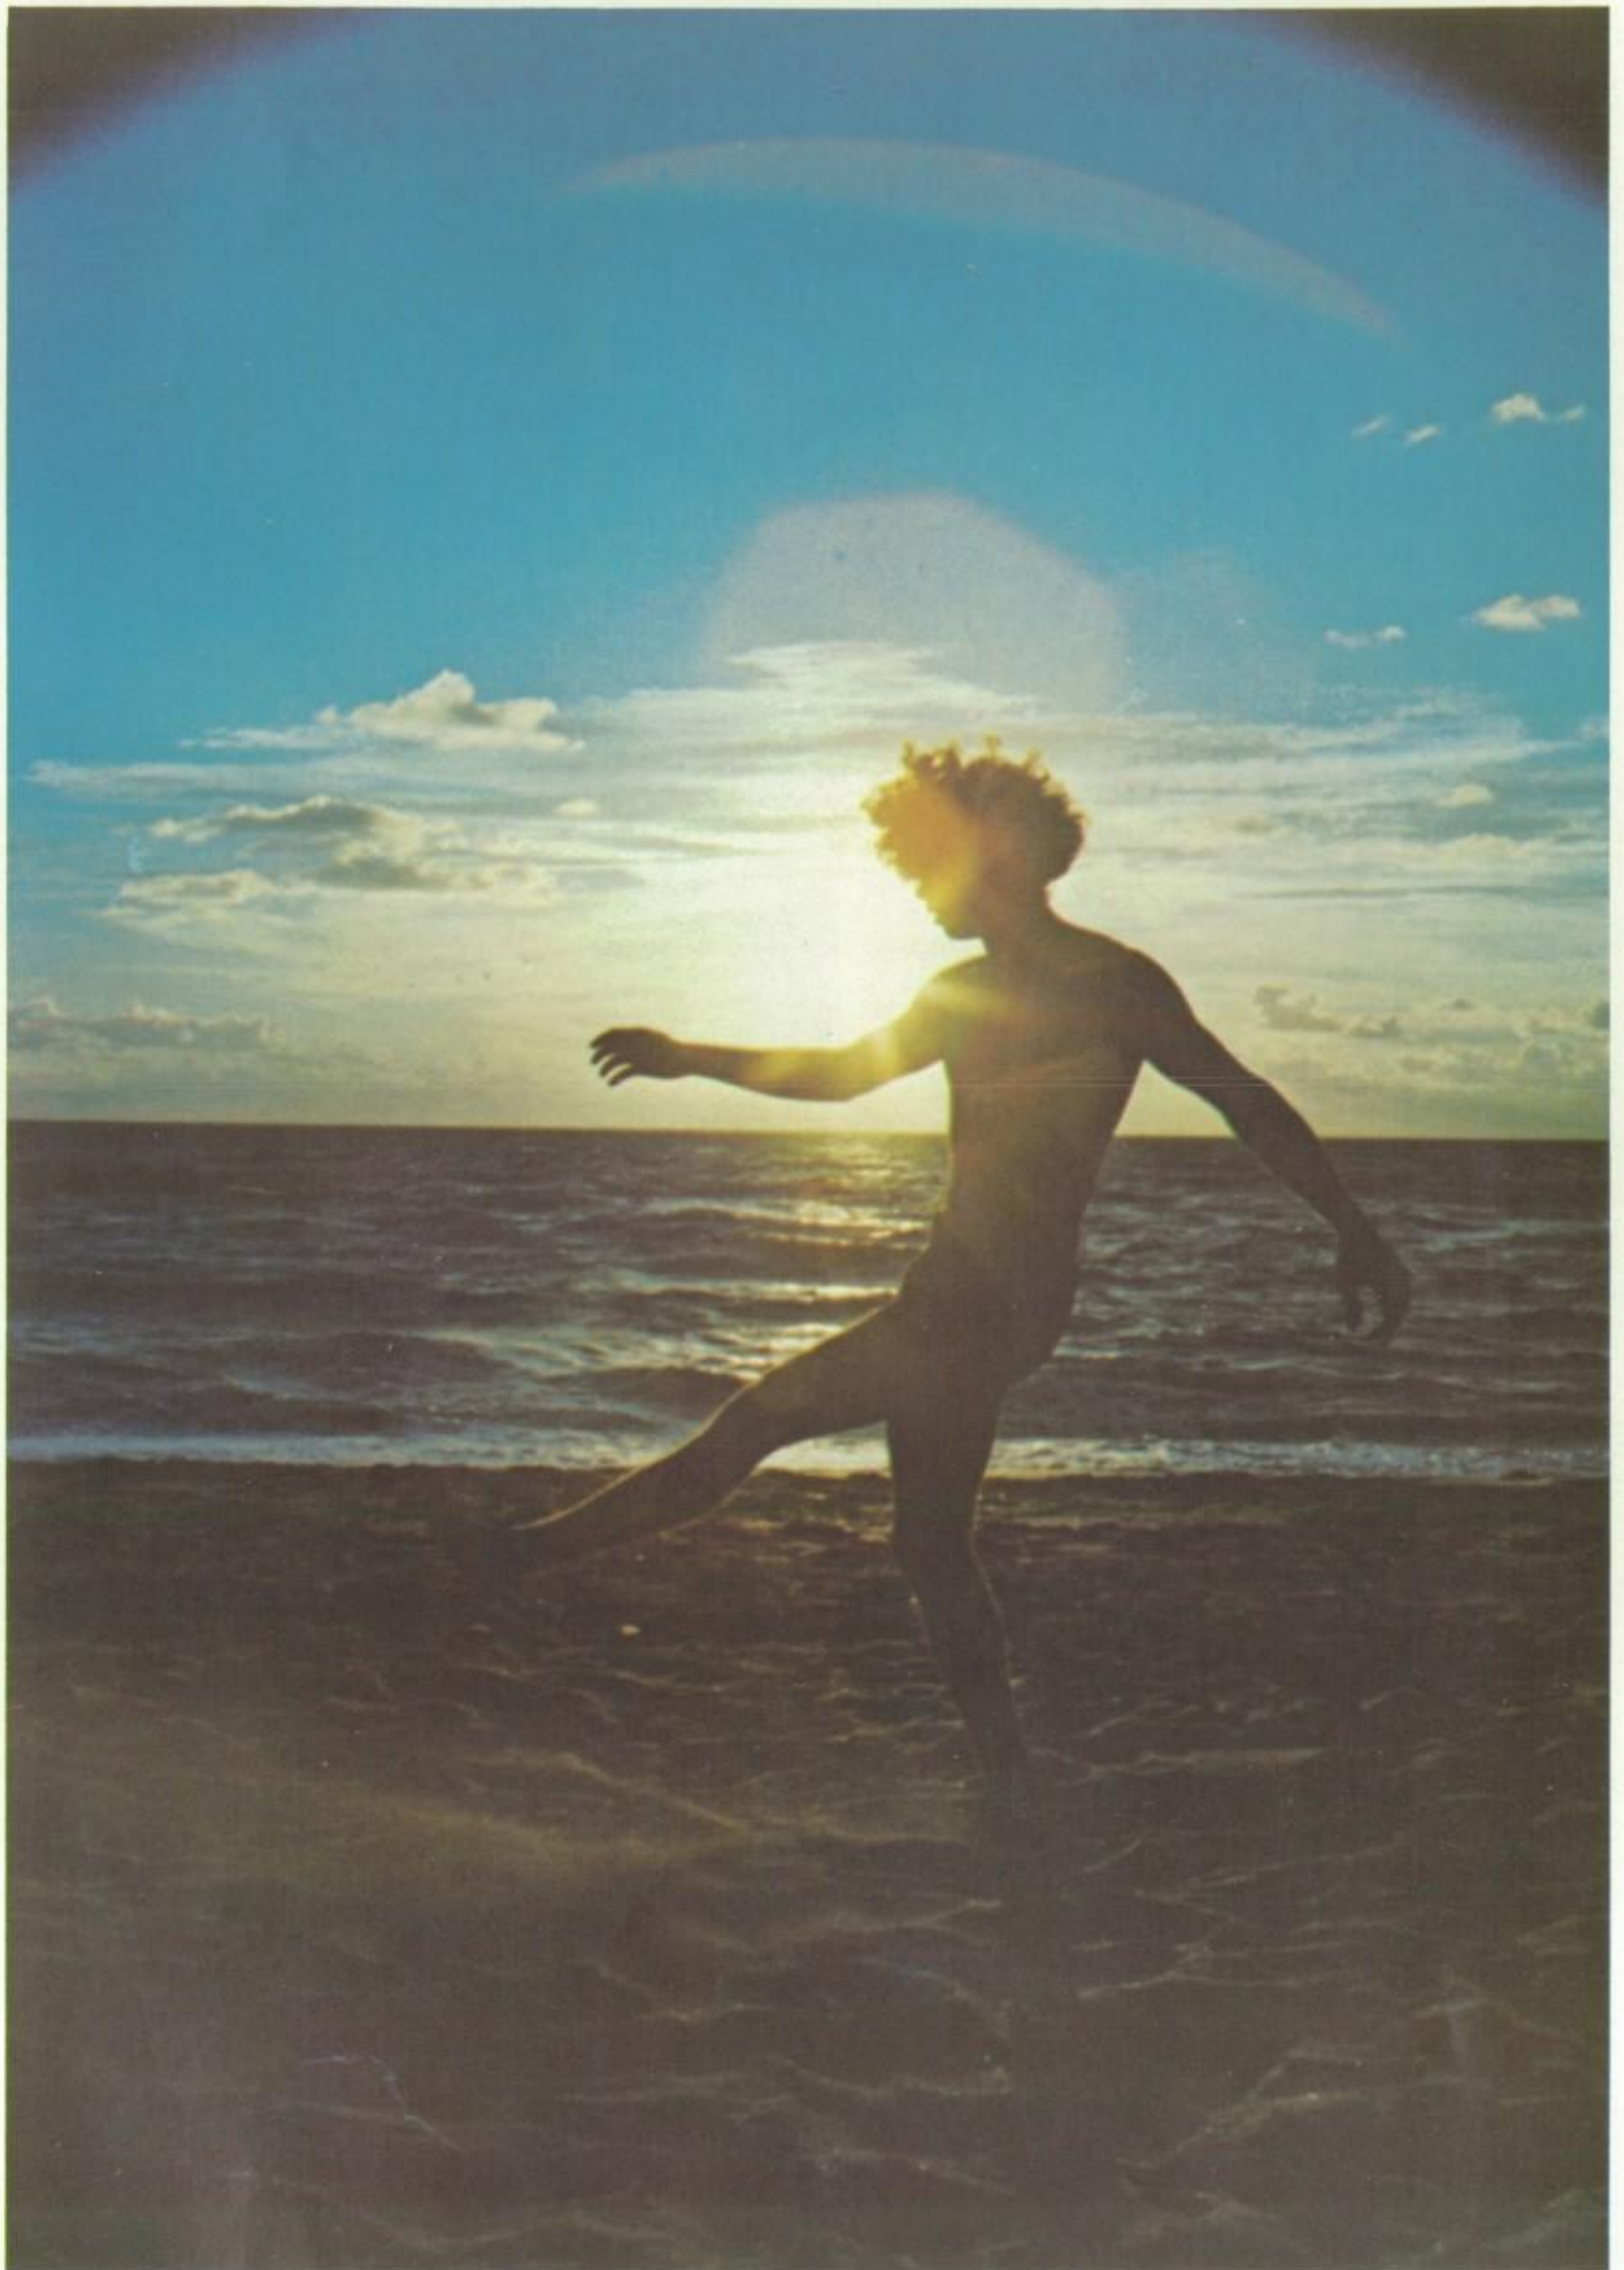

*We will always
strive for
individuality.*

Hey tomorrow, where are you goin'?
Do you have some room for me?
Cause night is falling and the dawn is callin'
I'll have a new day if she'll have me

Hey tomorrow, I can't show you nothin'
You've seen it all pass by your door
So many times I said I been changin'
Then slipped into patterns of what happened before

Hey tomorrow, you've gotta believe that
I'm through wastin' what's left of me
Cause night is fallin' and the day is callin'
I'll have a new day if she'll have me

MISS BOCA HIGH

DEBBIE DOW

Last spring five junior girls were nominated as candidates for Miss Boca High. These candidates are then interviewed by teachers and citizens of the community. Then by the process of interviews and student vote, Miss Boca High is chosen.

Debbie Dow was chosen for her poise, intelligence, beauty, personality and school involvement. She is president of Leonettes and an active member of Human Relations and Pep Club. She has been saluted by the South Florida Dairy Association. We are proud to have Debbie represent Boca Raton High School.

KICK-OFF QUEEN

CHRIS NEENAN

Chris Neenan was honored at the first football game of the season by being crowned the 1973 Kick-off Queen.

Before football season, the football team nominated five girls. Then the student body voted upon the girl whom they thought most deserving of the title. No one deserves this title more than Chris. She is a varsity cheerleader and an active member of Leonettes, Pep Club, Student Council, Human Relations, Senior Board, Jordan Marsh Teen Board and is a Delegate-at-Large for the Senior Class.

Other candidates for Kick-off Queen are Micki Banks, Vernice Gibson, Sarah Davis, and Valerie Scott.

STUDENT COUNCIL

This school year has brought many things to Boca High School. A new building, new P.A. System, new students, teachers, and a Junior, no less a female, as President of Student Council.

For the first time we had a resignation from a President of Student Council, a vacancy that lasted too long, hard feelings that NEVER should have been, and many things left, once again, undone.

The Walk for Mankind, County Convention, Surveys, possibilities of a Coke machine, Amendments for the Constitution, and many other projects, not only by Student Council, but by the many clubs and organizations of Boca High, have been accomplished.

This year has been a new experience for me.

I found myself in a very uncomfortable position. I would like, now, to express my sincere gratitude and thanks to all those people who offered their help, thoughts and especially friendship to me. It indeed helped me through this year.

I think this school year, with all its confusion and difficulties, was a good year. A year that can be looked back on with many fond and happy memories.

I would like to end with a quote from the "Desiderata,"

"With all its shame, drudgery, and broken dreams, it is still a beautiful world. Be careful; strive to be happy."
Dori Sabia

S.A.C.

S.A.C. is responsible for all the activities here at Boca High. All the clubs are represented in order to make their individual activities on specific dates, so that they don't plan them on the same day. The members are as follows chronically with the picture: Virginia Tate, Sophomore Class President; Sheryl Racicot, Drama; Lynn Kalber, Editor of the Cat Courier; Pat Buttery, President of Juniorettes; Debbie Dow, President of Leonettes; Doria Sabia, President of Student Council — Chairman of S.A.C.; Lisa Smith, President of Photography Club; Holly Greenman, President of S-Club; Lynn Penovi, Band; Patty O'Hara, Editor of the Yearbook; John Salak, President of National Honor Society; Paul Anderson, President of Interact; John Corven, President of Key Club; David Sweet, President of Junior Class; Russ Wilson, President of the Senior Class; Rick Huck, Stage Crew; Bob Meadows, President of the Afternoon Student Council — Co-Chairman of Student Activity Council; Steve Schroeder, President of Pep Club.

HUMAN RELATIONS

Human Relations is a continuous need of all humans everywhere. Yet a human relations council in a school cannot by itself solve human relation problems. Its value however, cannot be underestimated. This year, through the Human Relations Committees, many students expressed their individual concern for improved human relations at Boca Raton High School. Many students were brought together by the activities sponsored by Human Relations, these activities have created good feelings for many students. The most successful of these projects have been the World's Fair, which over a period of 2 days was attended by more than 5000 people. The good feelings created by this project cannot be measured by dollars and cents. The club this year had help from Project Involvement in the persons of Dorothy Sutton and Steve Rjevman. Faculty advisors were Phil Mallon, Willard Robinson, Marie Wills, and Mary Ann Clark.

The following quote expressed the feelings of Executive Board member Willie Searcy: "I know that school is a place you come to to learn. But a school without any activities is like a bird without any wings."

KEY CLUB

After a difficult start, this year's Key Club has become the outstanding service club of the year. Being lucky enough to have dedicated sponsors and members we have been able to accomplish much. Highlighting the year has been the Key Club sponsored buses to the Ft. Pierce football game, and co-sponsoring of the Christmas dance. Of course, one cannot forget Donkey Basketball and the Key Club Movie-of-the-Week, with "Billy Jack" as its biggest hit. Congratulations to members and sponsors for a great job this year, Key Club #1.

Lisa's presence is always a highlight of everyone's day. Her bright personality outshines even the worst days at Boca High. She will be remembered as one of Boca's favorite people.

This year Interact has once again proven itself to be the number one service club here at Boca High. Through Community and school service projects such as the clean-up, participating in the Bike-A-Thon, co-sponsoring the Christmas Dance, the Beach Clean-up, our Film Fund and others, the club has proven itself to be a valuable part of this school. Of course, this couldn't be done without the dedication of our members and the cooperation of Mr. Schilling, our sponsor, and the Rotary Club of Boca, especially Bill Astras.

To everyone, thanks for making this one of Interact's best years ever.

I know next year's S-Club will surpass all other clubs in service and leadership, and wish Chris Faust, as next year's president, much success in her tenure.

BAND

Symphonic Band

Concert Band

Performance that excites pride and displays the highest level of ability is the goal set by our Bobcat Band as they choose their motto "The Pride of the Gold Coast." Truly, the Band has demonstrated its talent to live up to such a motto. Outstanding performances at all football games, assemblies, civic affairs, Straight Superiors at Marching Contest, and the only band to receive a standing ovation at the Gasparilla Festival in Tampa, clearly illustrates the time given to extra hours of practice. Our Band had indeed provided Boca Raton with the genuine pleasure that music has to offer. One of the many highlights for our Band was their annual Christmas Concert held at the Boca Raton Hotel and Club. Performing to an audience of almost one thousand people, the Band quickly proved its ability as a Concert Band.

PEP CLUB

Pep club is responsible for promoting school spirit. This year we have accomplished this in many ways. We have worked with the Athletic Department in sponsoring many pep rallies. Also we have sponsored car caravans to games and we sold Bobcat buttons. Our club also had two announcers at every basketball game to encourage spirit as well as announce necessary information. Our club is continually supporting the school in many ways all year long and continues to do so. Good luck to future Bobcats.

We, the yearbook staff, are deeply indebted to Mr. Rosenbaum and DECA. Without him and many members of DECA, this year's yearbook sales would have never gotten off the ground.

DECA took upon themselves the job of promoting the 1974 Paw. Many long hours of planning and work went into their promotion ideas. Promotion week was a great success and it would never have been possible without DECA.

No one could have done a better job than Mr. Rosenbaum and DECA. The yearbook staff commends each and every person who helped in promoting the 1974 Paw. Thank you, again.

Patty O'Hara — Yearbook Editor

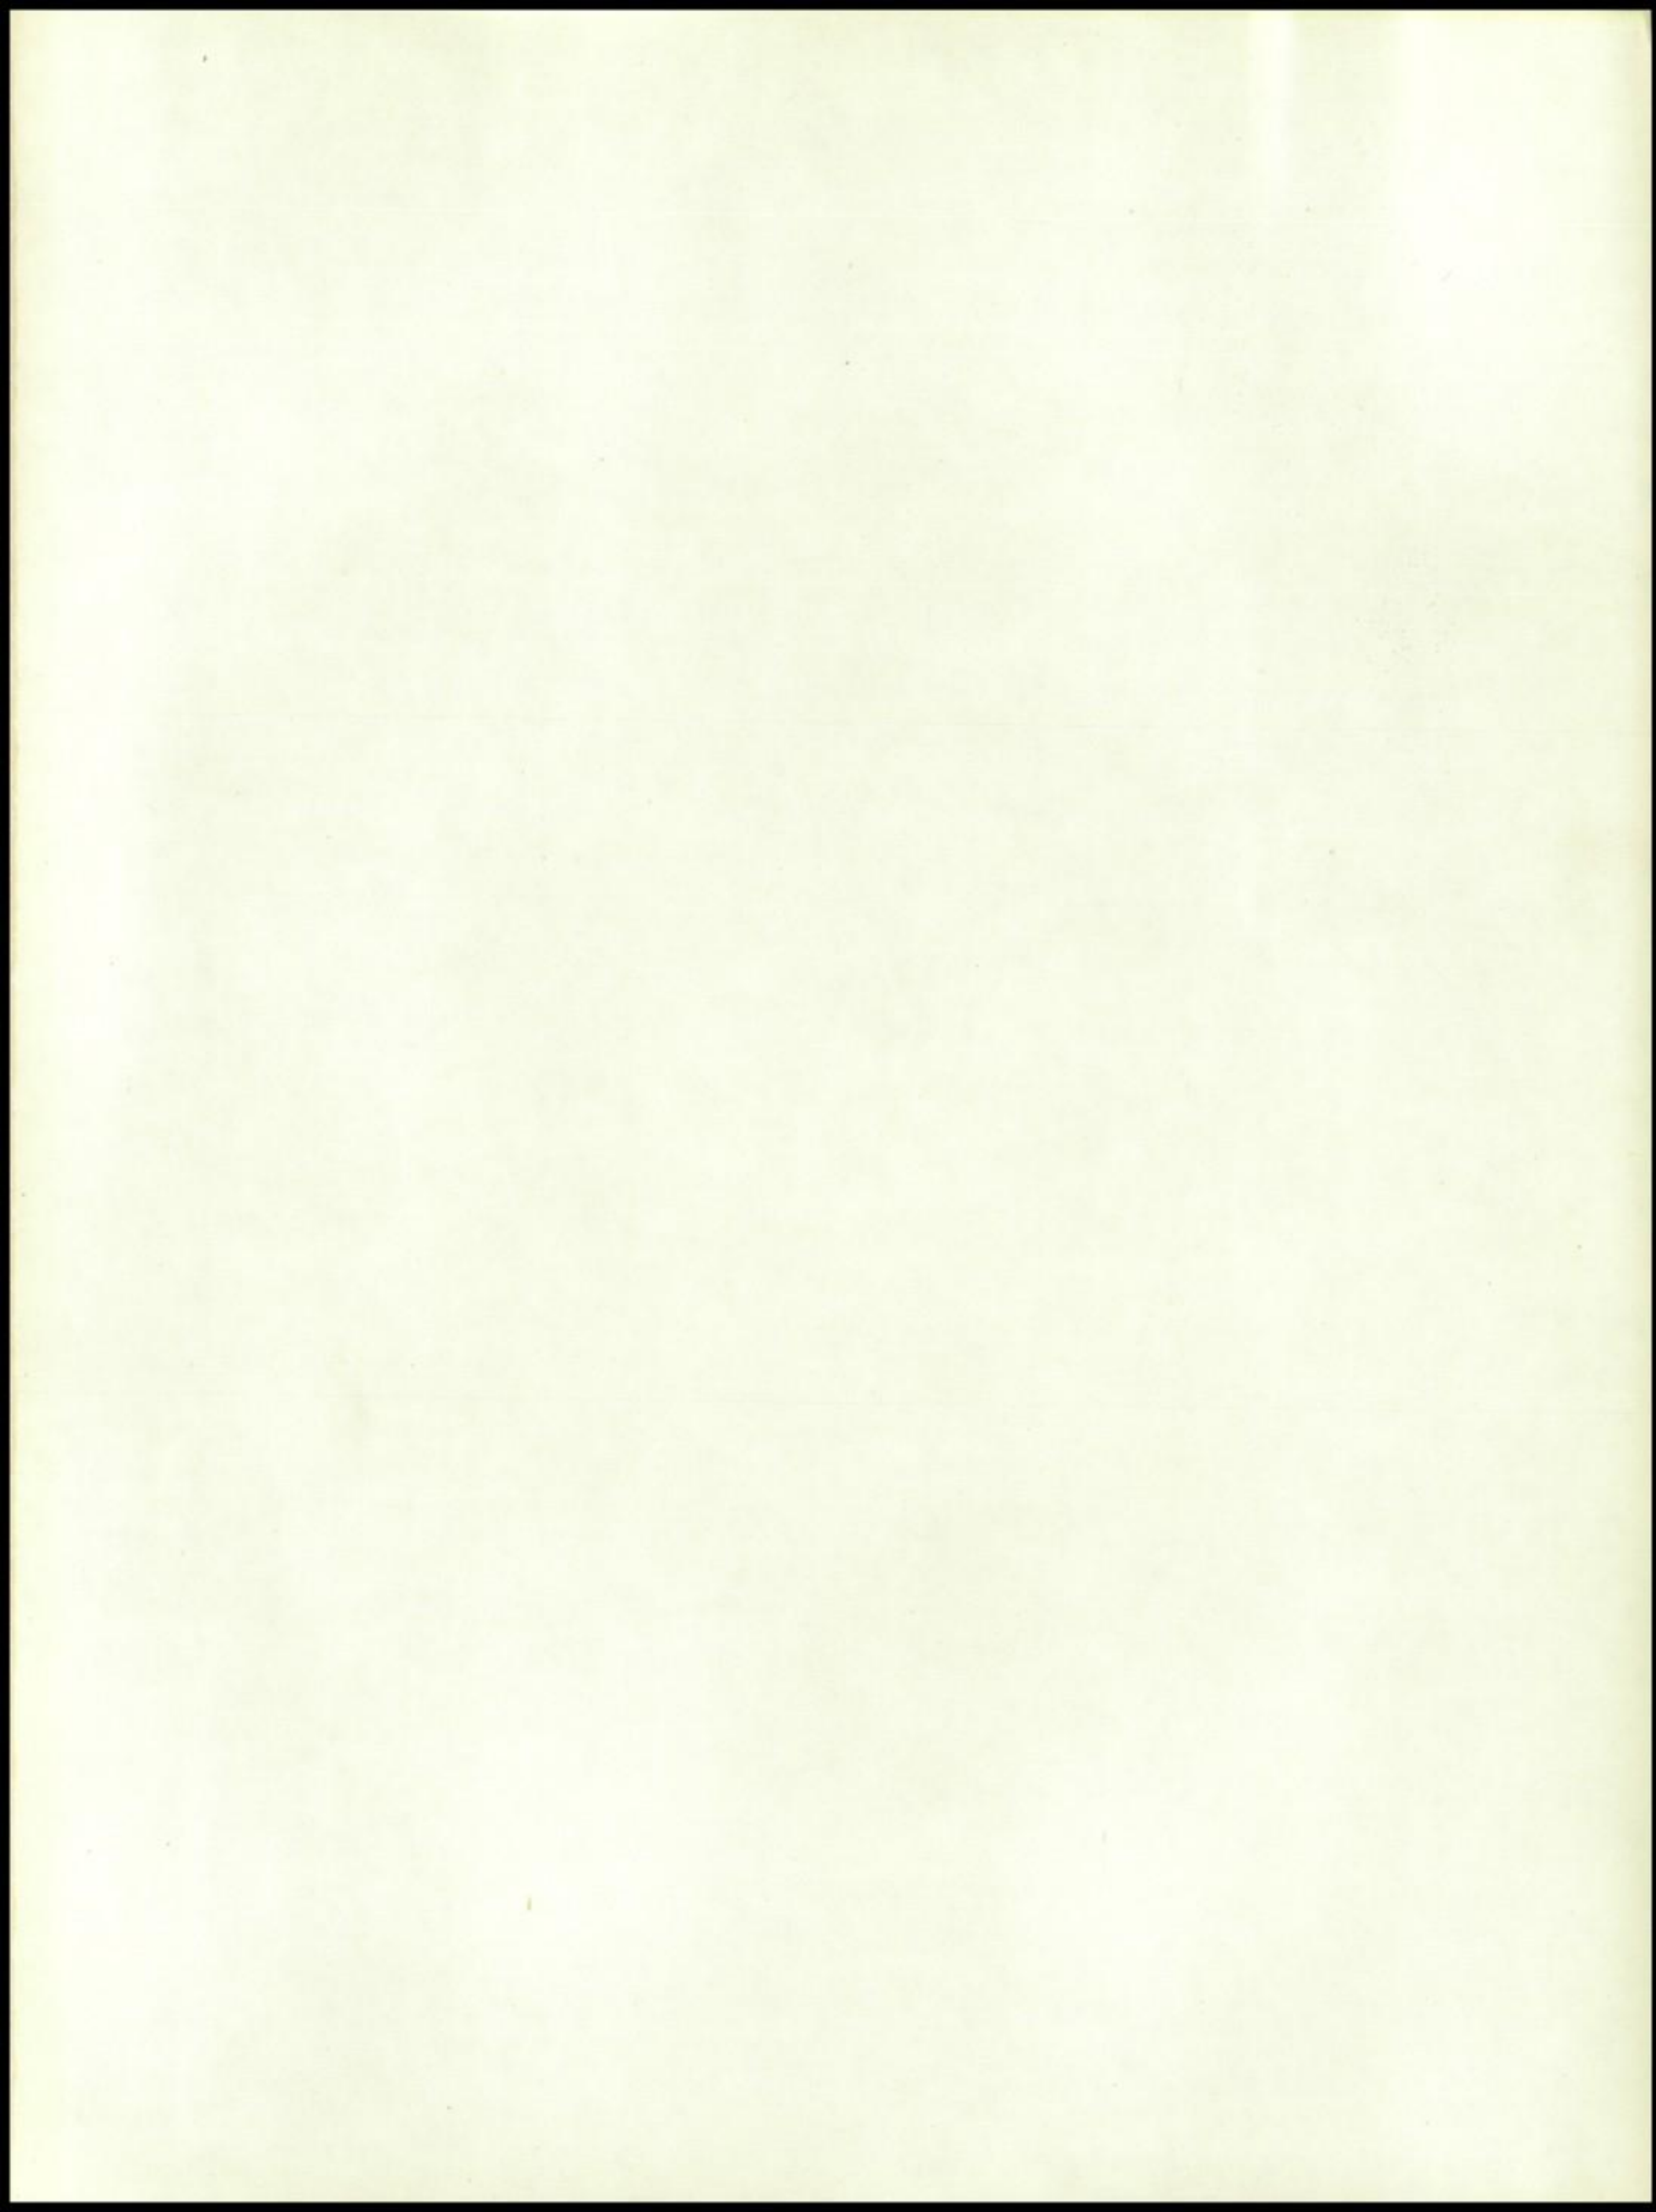

. . . What though the radiance which was once so bright
Be now forever taken from my sight,
Though nothing can bring back the hour
Of splendor in the grass, of glory in the flowers;
We will grieve not, rather find strength in what remains
behind . . .

Another year has gone by and we've all grown a little older and supposedly a lot wiser. The yearbook staff has tried to capture this year's events so that you may look back on the 1973 and 74 school year and relive those moments again.

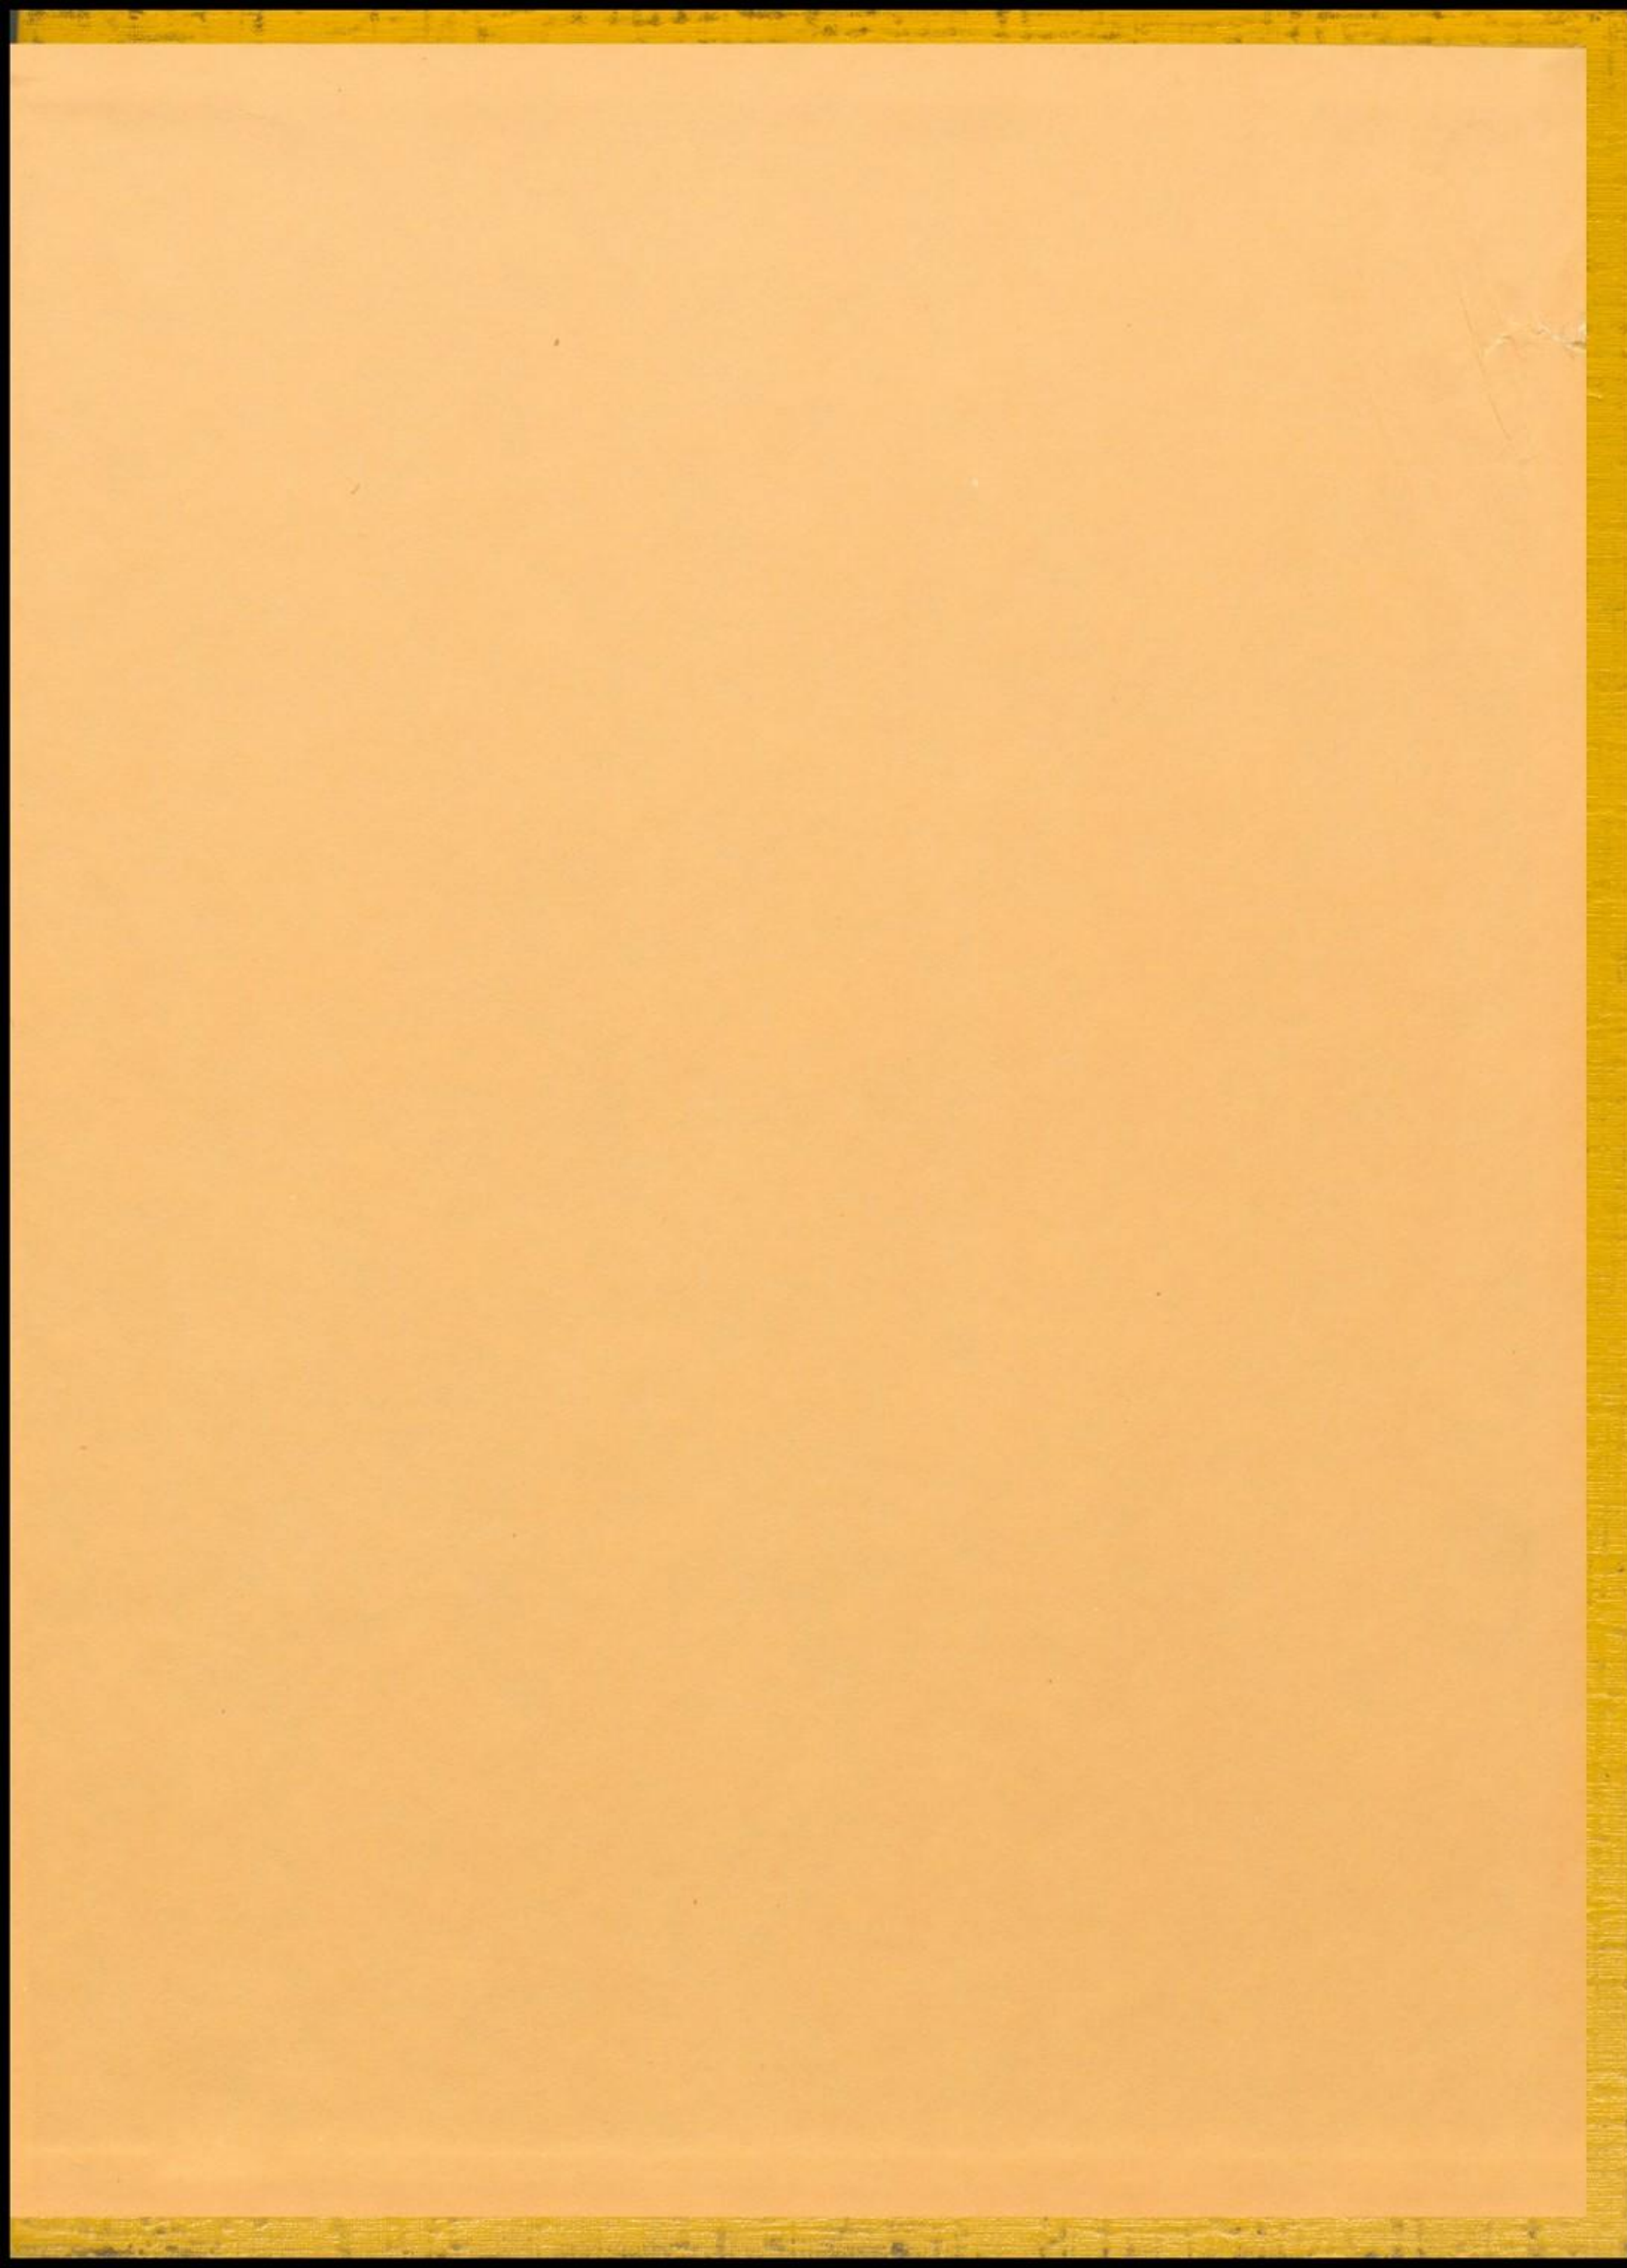

I would like to thank all my staff for the great effort they put into this book. They should be proud, for this is one of the greatest yearbooks Boca High has ever put out. Also, my thanks go to all my teachers for letting me out of class all the times I needed to do yearbook business. I also want to thank all the other teachers for their cooperation in letting other yearbook staff members out of their class. My thanks go to our sponsors, Mrs. Steidley and Mrs. Warfel. (We sure learned a lot this year, didn't we, Mrs. Steidley?) Last but not least, I need to thank Mike from Bryn-Alan and Mr. Binns from Taylor Publishing Company.

This school year has finally come to an end and we'll all go our separate ways. But we will open our yearbooks and remember.
